Subject: PFAS Update - One-Pager

Jennifer, Andy and Stiven,

Thank you for your availability to work on this important issue as we get ready to brief the Acting Administrator in preparation for his upcoming Senate hearing.

As I have discussed with David and Peter, we need a one-pager update on the PFAS Management Plan, including its status with regard to inter-agency review, issues that may need high-level review/decision and any insight you might be able to provide with respect to timing on a final document.

If you have questions I am certainly available as needed.

Our briefing for the Acting Administrator is on Tuesday morning so I am hoping that we can see a draft no later than noon on Monday.

Regards,

DDD
